Multimedia Appendix 5. The distribution of responses to MCK specific questions, similar to Figure 7, but separated into responses from users who gave the overall application a SUS score above (green, above) and below (red, bottom) the usability threshold of 68. Scores of 1 reflect a response of strongly disagree, and scores of 5 reflect responses of strongly agree. Markers reflect individual responses (jitter has been artificially added to enhance visualization; only discrete integer values were able to be selected).
